

Bereavement Care Services at Big Bend Hospice

Supporting Big Bend Hospice Families Through Loss

Grief is a personal journey which we each experience in our own way. At Big Bend Hospice, our Bereavement Care Services are an integral part of the care we provide, offering support to individuals and families throughout the grief process.

Who Can Benefit?

Our Interdisciplinary Team Members and Bereavement Counselors coordinate grief and bereavement support for patients and families, helping with physical, emotional, and spiritual needs from the time of admission through 13 months after a loved one's passing.

BEREAVEMENT CARE CAN HELP:

- Honor Your Loved One
- Provide Emotional and Spiritual Support
- Foster Connection
- Teach New Ways of Coping
- Provide Information and Resources on Grief and Bereavement
- Offer Comfort and Guidance

Our Bereavement Counselors can provide personalized bereavement care and comfort when it's most needed.
